

Flexible pricing models designed for your enterprise.

Whether you need variable support or a large team of 400, our pricing models are designed to be customized, giving you the freedom to choose the outsourcing solution that fits your exact needs.

👥 Dedicated Team

Maintain consistent support from a dedicated team working exclusively for you.

- ✔ **Predictable costs**
Keep your budget on track and avoid surprises with fixed monthly or annual rates.
- ✔ **Dedicated resources**
Ensure consistent support with an exclusive team of experts.
- ✔ **Maximum efficiency**
Proven processes and seamless integration enables next level productivity.
- ✔ **Consistency at scale**
Maintain brand consistency without the hassle of retraining.
- ✔ **Long-term planning**
Effectively improve project management and accurately plan for the future.
- ✔ **24/7 support**
Dedicated, round-the-clock support enables speedy delivery regardless of your time zone.

🕒 Project Based

Easily scale your resources up or down as needed at a fixed hourly rate, billed monthly.

- ✔ **Cost efficiency**
Only pay for what you use and avoid overpaying for resources you don't need.
- ✔ **Low barrier to entry**
Easily access any of our services without significant upfront costs.
- ✔ **Greater flexibility**
Scale support up or down to meet fluctuating demand, without any penalties.
- ✔ **Transparent control**
Track usage and costs over time to stay aligned with your budget.
- ✔ **No commitment**
No long-term contracts or obligations means you can access services as needed.
- ✔ **24/7 support**
Our global teams work around the clock, providing support whenever you need it.
